## Procedure for Public Records Request

---

1. Complete and return the Records Request form with as much detailed information as you can. For City Records, return this form to the City Recorder. There are several options for returning the form: bring in to City Hall, mail to Scappoose City Hall, at 33568 East Columbia Avenue, Scappoose, Oregon 97056, fax to City Hall at 503-543-7182 or email to [susanpentecost@ci.scappoose.or.us](mailto:susanpentecost@ci.scappoose.or.us).
2. The City will provide a cost estimate and MUST receive confirmation that you want the City to proceed with your request. A deposit against fees may be required for large public records requests.
3. The City will contact you with the estimate and a time the records will be available for inspection. **Indicate on the Request Form whether you wish them to be mailed or you will pick them up.**
4. If you are requesting to inspect records at City Hall, you will be called with an available time to inspect the records. A place for ONE person will be provided for reviewing the files. One file at a time will be made available. When you are through with it, return it, and receive the next file. Any pages to be copied should be marked with sticky notes provided by the city.
5. When your inspection has been completed, return the last file. If staff is available the copies will be available at that time. If staff is not available to copy the requested pages at that time you will be called at the phone number on this form once staff has had time to copy the requested pages.
6. If more than one person wants to look at files at the same time, reservations must be made in advance for an available room. A research fee will be charged to cover a staff person's time for remaining in the room with the files.
